Dear Valued Client,

As you know, the COVID-19 pandemic is impacting the world in multitude ways – with cancelled or redacted in-person meetings and events, travel bans, workforce and supply shortages, and general isolation protocols. At I'Curity, we clearly recognize the important role that I'Curity Solutions plays during this pandemic serving the needs of our clients and the progression of important business strategies. We also realize our responsibility in the health of our staff and our clients and the general population at large. Therefore, will continue our operation at full capacity while taking precautionary measures to ensure the safety of our dedicated staff and yours by utilizing technology as much as possible.

In an effort to safely produce and distribute quality services throughout this pandemic, we are committed to serving our clients in several different ways, including:

**Working from home:** Isolation is key to fighting the scourge and prevalence of this virus. Therefore all staff that is not deployed onsite at any of customers is **required** to work from home until such a time that the Government of the Republic advises on the progress in defeating the spread of the virus.

**Social distancing:** Staff member are advised not to engage in any social events of a number of more than two (2) people be in a private or public dwelling. Our staff members are advised to abide by all rules stipulated by the Government of the Republic that include:

- Reducing the consumption of alcohol
- Washing hands at any time that a surface with suspected possibility of infection
- Keeping and using alcohol based sanitizers at all times. I'Curity has committed funds to the supply of such sanitizers.

**Onsite Rotas:** In line with providing services to our clients in full capacity – we are abiding to all onsite rotas that our clients have put in place and none of our consultants will be onsite at the same time unless explicitly required by our customer.

**Supporting Your Operation:** I'Curity offers electronic access to its members for support and any technical work that needs to be delivered. The enabling systems in use include:

- [Zoom](#) online conferencing tool
- VPN access to our client environments
- Fibre and modem based internet connection for those working at home. I'Curity will sponsor its staff members for remote internet connection.
